

O K A

by Barracuda

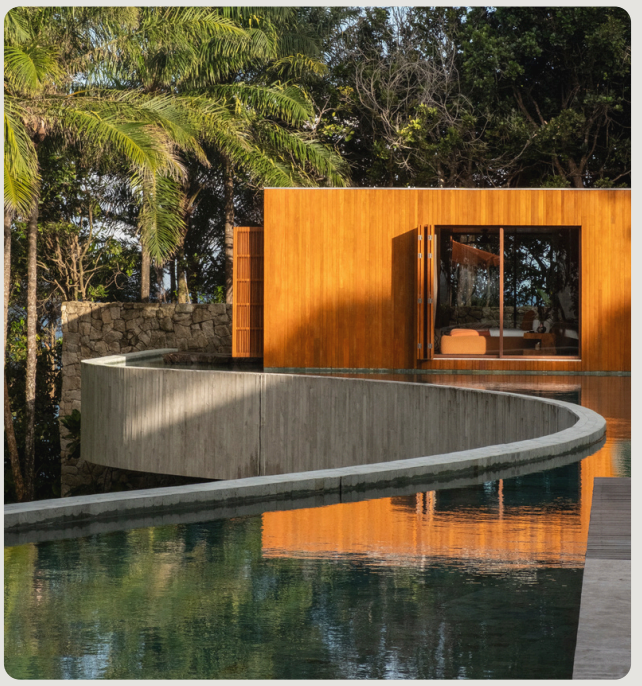

A private retreat in Itacaré, Bahia, Brazil

OKA by Barracuda is the highest expression of our territory-based hospitality: a secluded 3,500 m² retreat immersed in the Atlantic Forest and in the culture of Itacaré.

With nine suites, including private duplex master bedroom, a dedicated culinary team, spa and wellness experiences, and an 800 m² swimming pool, OKA offers a private world in which to experience the destination.

Days unfold naturally between forest, ocean, traditional gastronomy, outdoor life, wellness and time to simply be. A local team reveals the destination through their own knowledge and perspective, while every detail of the stay is curated around the guest.

AN EXPERIENCE BORN FROM THE PLACE,
AND ONE THAT COULD ONLY EXIST HERE.
